

To Whom It May Concern,

Subject: Request for English Language Proficiency Waiver

I am writing to formally request a waiver for the English language proficiency requirement as part of my application for the Rhodes Global Scholarship.

I have completed my full undergraduate studies in Computer Science at Arab Open University – Egypt Branch, where the entire curriculum was taught and assessed in English. All lectures, assignments, examinations, and final year projects were conducted in English throughout the duration of the program.

Given that my academic training and assessments were fully delivered in English, I believe this meets the University of Oxford's criteria for a language proficiency waiver.

Should you require further documentation or confirmation from my university, I would be happy to provide an official letter from the institution verifying this information.

Thank you for your consideration.

Sincerely,

Ahmed Farag Fekry Bachelor of Computer Science Arab Open University – Egypt Branch
